To Parents & Guardians:

We are again offering you the opportunity to purchase student accident insurance for your child(ren).

Please note that while the school has liability insurance, this covers injuries to pupils only if liability is proven against the school. The school does not pay for routine accidental injuries regardless of liability. The pupil accident insurance pays claims immediately and covers accidental injuries regardless of liability.

Please check with your own insurance, as each year many do not take the additional school insurance only to find that they are not covered for some types of routine injuries. Some families have incurred several hundred dollars' worth of medical bills, which may have been covered by the school insurance.

The agent for the 2017-2018 school year will be Colonna Insurance Services, LLC of Hamden, CT. The benefit summary is attached. If interested, please visit Colonna's website for enrollment information via www.colonnainsurance.com for a brochure and/or enrollment forms. You can follow the below steps to access the information and forms.

Steps:

- Go to www.colonnainsurance.com
- Click on gray tab "student Insurance"
- Click on "click here to view/print the brochure" – about half way down page under *Connecticut Student Accident Insurance* heading

Sincerely,
