

Board of Education
Workshop
June 23, 2011

Feasibility Study Interim Report – Dr. Robert called the workshop to order at 7:50 p.m. Dr. Joseph Townsley gave background information on CREC. He thanked Dr. Pukas, Mr. McCarthy, Mr. Sandford and the other superintendents that have worked with him on the answers. He explained the items he was going to hand out. He had comment. Dr. Townsley reviewed the status report. Questions were asked and answered. Julia Case reviewed the Research Brief: School Closure, North Stonington Public Schools. She explained and reviewed the document. Board members had questions and comments. Dr. Townsley had comment on the research that was done. Dr. Townsley explained the document containing the offerings of some of the other schools. Mr. Mullane had questions that Dr. Townsley answered. Board members had questions. There was comment. Dr. Townsley clarified time lines and there was discussion. There was further discussion. Dr. Townsley outlined his next steps. He commented that this was an unusual project and he didn't want the numbers to get out yet and he explained and elaborated on his reasons. He cautioned the Board not to move so rapidly and said this was just a preliminary data report. The Board thanked Dr. Townsley and Ms. Case for their work. The workshop ended at 9:22 p.m.

Respectfully submitted,

Roberta T. McCarthy, Secretary to
The Board of Education
