

DO NOT THROW AWAY – 4th Grade Supply List

Dear Families:

We are looking forward to working with your child “this fall”. When you begin to think about various school supplies for the beginning of fourth grade, we thought that we would recommend some that are used daily or quite often in the classrooms. Here are our recommendations:

- 2 large glue sticks
- 4 pack of **FINE POINT Expo Low Odor** Dry erase markers
- pencils (**please no mechanical kinds**)
- **soft** pencil case (easier to fit in desk)
- hand pencil sharpener
- highlighters
- box of colored pencils
- one 1” binder with inside folder for Social Studies
- one 1” binder with inside folder for Science – green if possible
- one spiral bound wide ruled notebook for Science
- 4 two-pocket **plastic (if possible)** folders: 1 blue for Spelling, 1 red for Math, and 1 yellow for Writing, and 1 purple for Reading.

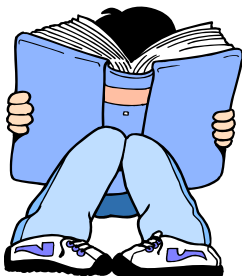

□ Math Materials for Home:

- ruler (Customary and Metric)
- calculator

We **strongly discourage** *Trapper Keepers* as a means of organizing papers, books, etc. They do not fit in desks once textbooks and binders, and other necessities are kept there, and they can be quite cumbersome in a backpack.

Enjoy the summer season! Remember to read and practice your math facts. Log in times, activities, and book titles for the Summer Math list and Governor’s Summer Reading Challenge for prizes in the fall! We will be looking forward to a great year with your child.

Sincerely,
Your Fourth Grade Teachers –
Mr. Brownell, Miss Caswell, and Mrs. Servidio
