Dear Parent/Guardian,

It is with great anticipation and excitement that I welcome you back for another incredible school year at North Stonington Public Schools. The first day of school for students is Wednesday, August 22, 2018.

As we did last year, in an effort to save time and money for the district, we are emailing many of the forms that were mailed in previous years. The following forms (attached) are being emailed to families:

- Superintendent letter regarding school lunch services
- 2018-19 Application for Free and Reduced-price School Meals or Free Milk
- Frequently Asked Questions (FAQs) About Free and Reduced-Price Meals
- School Breakfast information (Middle/High School)
- A letter concerning North Stonington Board of Education's Policy Number 3524.1 on Pest Control and as well as information on the asbestos management plans
- Student accident insurance

The Bus Schedule for school year 2018-19 will be posted to the district web site once it is available. In addition to email, all forms will be available on the district web site, www.northstonington.k12.ct.us.

We appreciate your understanding in this matter as we continue to provide the best educational programs to our children and improve efficiencies within the district

As a reminder, while school will start and end on the same date for all students, due to the phasing of the building project, the spring break will not be in April, instead it will be in March. As a result, there are two separate calendars for next year, one for the elementary school and another for the high school. You can find both calendars on our website.

Wishing everyone a successful and safe school year!

Yours truly,

Peter L. Nero
Superintendent of Schools
