

Welcome to Art!

Lauren Anderson – andersonl@northstonington.k12.ct.us

Art Educator Preschool-Grade 6

Creating, Presenting, Performing, Producing, Responding, Connecting

Art Curriculum

- Students meet once a week for 45 minutes, pre-k for 25 minutes
- Our Art curriculum is aligned with the National Core Arts Standards

Art Shows

- Each year the multipurpose room is transformed into a beautiful gallery featuring artwork from our very talented young artists! The show has a unique theme each year to inspire students' artwork! Some of our themes have been: The Taste of Art, California, sky high, come sail away, global warming, and out of the light...into the night!

Art Club

- 4th, 5th and 6th grade students are encouraged to join art club during their recess times. Students are able to create 2-D and 3-D works of art in a fun learning environment!
