

## Wheeler Middle School 2020 Summer Reading Program

Here is what you need to know...

1. **This year our theme is “Enjoy Reading – Enjoy Your Summer!”** All incoming 7<sup>th</sup> and 8<sup>th</sup> grade students are being asked to read the book, “Pay Attention, Carter Jones” by Gary D. Schmidt. This funny book tells the story of a middle school student who inherits a British butler, from his grandfather. The story will make you laugh, and appreciate the people in your life who get you through challenging times. Books can be borrowed through the library, or ordered through Amazon or local book stores. The book is also available on Audible. The audio version is fantastic and is a great choice for long car rides. No graphic organizers will be required this year...just read this book for fun! When you are finished please log onto the MS Summer Reading Google page let us know what you thought of the story.
2. **Have some fun and enter our summer reading photo contest!** Have someone take a picture of you reading or holding our summer book. You MUST appear in the picture with the book. Email the picture to Mrs. Schilke, post it on her Google classroom page, or mail it directly to the school. Prizes will be given for the following categories –
  - best book picture taken in North Stonington
  - best book picture with a British theme
  - best book picture with a connection to the game of Cricket
  - best book picture with a Bentley or other fancy car
