

# The North Stonington Superintendent Search

## Invitation to participate in Focus Groups and Survey

The North Stonington Board of Education invites the school and broader community to participate in the search process for a new Superintendent of Schools.

Mary Broderick, a consultant working with the North Stonington Superintendent Search Committee, will conduct a series of focus groups in December, both in-person and via ZOOM. The purpose is to gauge the community's perspectives on the qualities, experiences, and characteristics desired in a new superintendent. We encourage town officials, students, teachers, administrators, other staff, parents, and community members to participate.

### Survey

In addition, an anonymous survey, with a **response deadline of December 17**, will be available at this site:

<https://www.surveymonkey.com/r/NorthStoningtonSchoolSuperintendent>

Feedback from the focus groups and surveys will be incorporated into a leadership profile that will guide the Search Committee in identifying high-quality candidates who best fit the needs of the North Stonington Public Schools. The Board expects to accept the profile at a meeting in mid-January.

"We encourage the community to be a part of this important process and look forward to incorporating the results of their participation into the Search Committee's work," said Christine Wagner, Chair of the North Stonington Board of Education.
