Notice of Cybersecurity Incident

Dear NSPS Families and Colleagues:

We want to inform you of a cybersecurity incident that affected our North Stonington Public Schools (NSPS) and thank you for your patience and support as we respond to this matter.

Upon becoming aware of the incident, NSPS quickly engaged cybersecurity responders to assist with securing its network and investigating the incident, and has also alerted state and federal authorities.

While the investigation is ongoing, NSPS is providing this preliminary notification to help inform individuals of the incident. We intend to provide additional information here as soon as it becomes available, so please check back in the coming days.

In the meantime, please know that NSPS takes protecting the information of its faculty, staff, and students seriously and is committed to recovering from this unfortunate occurrence as appropriately and responsibly as possible.

Please note that NSPS has no reason to believe that the following resources were affected: Google Classroom, PowerSchool, MySchool Bucks, Arly, Raptor (guest sign in), Family ID, Swiss, Naviance, College Board, Khan Academy, Bridges Math, HMH Reading, IXL, Desmos Math, or Edgenuity.

On behalf of the NSPS leadership team, we appreciate your ongoing patience and support.

Sincerely,

Troy Hopkins
Superintendent
North Stonington Public Schools
