

NORTH STONINGTON PUBLIC SCHOOLS

The North Stonington Superintendent Search Committee invites you to participate in a Focus Group and a Survey

A CABE SEARCH Consultant, working with the North Stonington Superintendent Search Committee, will conduct focus groups and a survey in late-March. The purpose is to gauge the community’s perspectives on the qualities, experiences, and characteristics desired in a new superintendent. We encourage students, teachers, administrators, staff, parents, town officials, community organization representatives, and community members to participate.

Feedback from the survey and focus group data will be incorporated into a leadership profile that will guide the North Stonington Board of Education in identifying high-quality candidates who best fit the needs of the North Stonington Public Schools. "We encourage the community to be a part of this important process and look forward to incorporating the results of their participation into the Board's work," said Christine Wagner, Chair of the North Stonington Board of Education Superintendent Search Committee.
