

Goal 3 – Transparent & Efficient

11/30/2022

6:00pm

Present- Stephanie Mastroianni, Bryan Burdick, Phil Mendolia, Alex Karpinski

The immediate focus of the goal 3 group is on transparent and efficient communication with the BOF and the public throughout budget season. Our suggested plan is as follows:

Social media through our Facebook page. Posts will include:

- *Agendas for BOE
- *Agendas for BOF when BOE appears on them
- *Links to videos of prior BOE meetings as they relate to budget discussions
- *Promotion of events where our district or our budget will be discussed
- *Info sheets on topics of interest (identified below)

Create info sheets on identified topics of interest. Topics that were generated:

- *Administration costs and roles
- *New positions/changes in positions for the 2022/2023 school year; plans for new positions and changes in 2023/2024
- *Teacher contract
- *Healthcare savings
- *Preston/Voluntown students- how many, how much do we charge, what is the application process
- *Non-lapsing account
- *Athletics at Wheeler

Create and promote opportunities for the public and the BOF to understand more about our district and budget building.

- *Tri-Board meeting
- *State of the District
- *FB Live events (informal ways for people to ask budget questions)

Next meeting- 1/4/2023 at 6pm in the Education Center (298 Norwich Westerly Rd)
